KICSS 2014

9th International Conference on Knowledge, Information and Creativity Support Systems

November 6-8, Elias Beach Hotel, Limassol, Cyprus

Call for Papers

Following the tradition of previous conferences on Knowledge, Information and Creativity Support Systems, KICSS 2014 will cover all aspects of knowledge management, knowledge engineering, intelligent information systems, and creativity in an information technology context, including computational creativity and its cognitive and collaborative aspects. Papers reporting original unpublished research results on theoretical foundations, IT implementations of decision support and expert systems, as well as case studies of successful applications of the above-mentioned ideas in various fields are equally solicited. The list of conference topics includes but is not limited to (for a complete list please visit the conference website: http://kicss2014.cs.ucy.ac.cy):

- Anticipatory networks, systems, and decisions
- Autonomous creative systems
- Cognitive foundations of knowledge
- Cognitive and psychological issues in creativity research
- Cognitive foundations of knowledge
- Collaborative activities in Living Labs
- Collaborative idea generation and creativity
- Collaborative knowledge creation
- Collaborative working environments fostering creativity
- Complex system modelling
- Computer supported creativity
- Creativity support systems
- Decision sciences
- Decision support systems (DSS)
- Foresight support systems (FSS)
- General creative systems (GCS)
- Information fusion
- Knowledge in multi-agent systems
- Knowledge integration
- Knowledge management in business, industry, and administration
- Knowledge representation and reasoning
- Living Lab support systems (LLSS)
- Multicriteria decision making
- Non-monotonic reasoning
- Ontology creation and management
- Open innovation
- Organizational learning
- Reasoning about knowledge
- Uncertainty modelling
- Web intelligence tools

Key Dates
Paper Submission Deadline: ~~June 20~~ **Extended to August 4**
Notification of Acceptance: ~~August 8~~ **Extended to September 10**
Camera-Ready Version Due: ~~September 17~~ **Extended to September 24**
Research-in-Progress, Industry, Short and Demo Papers Submission Deadline: ~~September 5~~ **Extended to September 10**
Research-in-Progress, Industry, Short and Demo Papers Author Notification Due: ~~September 12~~ **Extended to September 19**
Research-in-Progress, Industry, Short and Demo Papers Camera-Ready Versions Due: ~~September 19~~ **Extended to September 24**
Author Registration deadline: **30 Sept 2014**
Early Registration deadline: **13 Oct 2014**

Conference Chairs
Susumu Kunifuji, JAIST, Japan
George Angelos Papadopoulos, University of Cyprus, Cyprus
Andrzej M.J. Skulimowski, P&BF and AGH University of S&T

Local Organizing Chair
George Angelos Papadopoulos, University of Cyprus, Cyprus

Submission of Papers
Regular papers on all the above topics should be formatted according to the Springer CS Proceedings (LNCS) format and should not exceed 12 pages. Short and demo papers as well as research-in-progress reports should not exceed 6 pages according to the above format. The KICSS 2014 papers can be submitted via Easychair at: https://www.easychair.org/conferences/?conf=kicss2014

Submissions that overlap substantially with any other papers printed, submitted, or accepted for publication or presentation elsewhere are not allowed.

The KICSS'2014 Post-Proceedings will be published in the Springer Series: Advances in Intelligent Systems and Computing (AISC), ISSN 2194-5357. AISC is indexed by ISI Proceedings, SCOPUS, EI-Compendex, Zentralblatt Math, DBLP, MetaPress, Ulrich's, Springerlink, see more at http://www.springer.com/series/11156. They will contain all the revised regular papers and - following an extension - a selection of research-in-progress reports as well as short papers.

The authors of the selected best papers presented at the Conference will be invited to submit the revised and extended versions of their contributions to special issues of high-rank scientific journals.

The best papers written and presented by PhD and MSc students will be awarded the KICSS'2014 Prizes. Eligible authors should provide a proof of their full-time student status with their registration and be no more than 35 years old at the time of the conference.
